

A light beige modular sofa with two seat cushions and two back cushions is positioned in a bright living room. To the left, a large potted plant with green leaves stands next to a glass-topped side table. A large window in the background shows a view of green trees. The floor is made of light-colored wood, and a light-colored rug is partially visible in the foreground. A blue armchair is partially visible on the right side of the frame.

BALDER

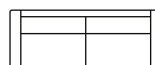

A substantial sofa solution that easily retains a sense of proportion whilst making a grand style statement. Many modules to let you create the sofa that will be the right size for your room.
